# You can make a difference!

## Get Involved

We hope that you will consider sharing your time and talents by joining the Friends of the DSO. Volunteer opportunities include assisting with marketing, fundraising, educational outreach, community engagement, and much more!

## Individual Giving

Music has the power to enliven, unite, and uplift hearts and minds – qualities especially important in today’s stressful and uncertain times. We have some wonderful plans for the future, and you can be assured that the DSO will emerge stronger than ever. As you reflect on the role music plays in your life, please consider a donation to keep the music alive. Donate online at [www.DuPageSymphony.org](http://www.DuPageSymphony.org).

A planned gift to the DuPage Symphony Orchestra is an excellent way to honor the Symphony’s tradition of enriching lives through music, while leaving a legacy that will inspire future generations with meaningful musical programs.
